

**Westside Service Delivery Survey
FY 2003-04**

Department/ Program Name	Program Description	Westside Performance Measures	Citywide Performance Measures	Comments
Police				
Patrol Resources – calls for service	Deter crime and enhance neighborhood safety by maintaining a routine police presence and quickly responding to calls for service.	<p>Priority 1 Response Time: Average – 5.34 min. Median – 5.00 min</p> <p>Priority 1 Calls per 1000 Residents: 101.46 calls</p> <p>Total Calls for Service per 1000 Residents ; 696.6 calls</p> <p># of Patrol Officers per 1000 residents: .95 (317)</p>	<p>Priority 1 Response Time: Average – 5.46 min. Median – 5.00 min</p> <p>Priority 1 Calls per 1000 Residents: 86.35 calls</p> <p>Total Calls for Service per 1000 Residents ; 672.41 calls</p> <p># of Patrol Officers (as of 6/28/04): .76 (1009)</p>	<p>Patrol officer totals include only first responders (no specialty patrol positions) and do not include supervisors.</p> <p>The Westside target area includes portions of four precincts as described below. The areas do not conform exactly to the Westside Revitalization Area. We are unable to determine officer totals for the specific target area. The areas covered by staffing information are described below.</p> <p>Officer totals for Central City Precinct are for the 51 squad area, which runs from I-17 to 12th St and Osborn Rd to I-10. It also includes the area south of I-10 to the railroad tracks from 7th Av to 12th St.</p> <p>Officer totals for Squaw Peak Precinct are for the 73 area which runs generally from I-17 to 7th Av and Osborn Rd to Dunlap Av.</p> <p>Officer totals for Cactus Park Precinct are for the 91 squad area and the 921 beat from the 92 area which runs from Dunlap Av to Indian School Rd/Grand Av and 43rd Av to I-17.</p> <p>Officer totals for Maryvale Precinct include all first responders precinct wide, which includes an area south of Van Buren St to Salt River from 55th Av west, and an area west of 99th Av to 115th Av from Indian School Rd to Bethany Home Rd.</p>
Patrol Resources – reported crimes	Deter crime and enhance neighborhood safety by responding to and reporting crime incidents for further investigation.	<p>Reported Violent Crimes per 1000 Residents: 10.66 crimes</p> <p>Reported Property Crimes per 1000 Residents: 78.50 crimes</p>	<p>Reported Violent Crimes per 1000 Residents: 7.41 crimes</p> <p>Reported Property Crimes per 1000 Residents: 74.34 crimes</p>	<p>Same comments as above</p> <p>Citywide violent and property crime rates will differ from other published reports due to different population comparisons and the exclusion of miscellaneous beat information (less than 1% of the total)</p> <p>Based on Uniform Crime Reporting (UCR) criteria</p>

Police				
Neighborhood Enforcement Team (NET) Squad and Community Action Officers	<p>NET Squads play a significant role in the department's emphasis on community oriented policing. They serve as the primary liaison between the department and the community. Their function is to address quality of life issues that can not be routinely resolved by patrol officers.</p> <p>Community Action Officers are the primary liaison with the community and they often work in cooperation with the NET teams. They attend community meetings and work in close cooperation with community members.</p>	<p>See comments</p> <p>29 NET Officers and 9 Community Action Officers</p> <p>.11 NET/CAO officers per 1000 population</p>	<p>See comments</p> <p>120 NET Officers and 25 Community Action Officers (as of 6/28/04)</p> <p>.11 NET/CAO officers per 1000 population</p>	<p>Numbers include NET officers only, not supervisors. Most of the NET squads and CAOs are not assigned to the exact boundaries of the area, but may cover an entire squad area.</p> <p>Maryvale Precinct: 15 precinct-wide, Squaw Peak: 7 officers for the 73 area, Cactus Park Precinct: 7 total (one assigned Northern to Dunlap), 500: 0 assigned specifically to the study area.</p> <p>There is not a common source of information for tracking specific NET team projects in the study area.</p> <p>One special enforcement effort in Maryvale Precinct is the NET team bike patrol, which is utilized as needed for special assignments (14 officers). The Maryvale Precinct NET Team is divided into two sections: Crime Suppression (CSS) and Community Needs Assessment (CNA).</p>
Police Officer Placement Solution (POPS)	The POPS program helps organized neighborhoods recruit police officers to become residents in their communities.	1 Participant	9 Participants	
School Resource Officer Program	Enforce Truancy Laws, investigate child abuse/neglect crimes, investigate crimes in and around school campuses, and be a visible sign of authority on campuses.	<p>28 SRO positions</p> <p>.35 SRO positions per 1000 Students Enrolled</p>	<p>100 SRO positions</p> <p>.33 SRO positions per 1000 Students Enrolled</p>	<p>School Resource Officer placements are partially dependent upon funding from grants or schools, officer availability, as well as the number of schools in a given area. Some schools have a pending request for an SRO position.</p> <p>The listed counts are based on the number of SRO positions. Some schools have more than one and other schools share SRO services district-wide.</p>

Police				
Traffic Enforcement	Enhance the safety of city streets by enforcing traffic rules and regulations as they pertain to both vehicle and operator.	<p>5 (38%) red-light photo enforcement locations</p> <p>63 (25%) photo radar enforcement locations</p> <p>19.1 reported collisions per 1000 residents</p> <p>128.8 reported collisions per square mile</p> <p>89.7 citations per 1000 residents</p> <p>2 (14% of total) Traffic Impact Project Locations</p>	<p>13 red-light photo enforcement locations</p> <p>248 photo radar enforcement locations</p> <p>24.2 reported collisions per 1000 residents</p> <p>86.2 reported collisions per square mile</p> <p>109.2 citations per 1000 residents</p> <p>14 Traffic Impact Project Locations</p>	<p>School Photo Speed Enforcement locations are determined partially by the ability of the unit to physically place a photo van near the school. Not all schools may be included for this reason. There are targeted schools (at least 1 per school district) that receive enforcement every four to six weeks. Non-target schools receive enforcement at least once per school year citywide. Citation totals include only those with addresses that could be associated with an existing grid and may be incomplete. Approximately 25% of citations can not be assigned a grid based on location information. Target area citation information may be impacted by this issue.</p> <p>Traffic Impact Project is a combined effort between all motor squads to perform intensive speed patrols in select areas based on collision statistics and citizen complaints. Initiated in May 2004 and will be continuing for the one year.</p>

Community Traffic Safety Program	This program is designed to increase public awareness of traffic related safety issues through a variety of programs including an aggressive driver/red light running program, DUI Task Force, Youth Alcohol Squad and Photo speed enforcement at schools.	<p># of Car seat Inspection/Bike Education Events: 19 (14%)</p> <p># of Car seats Inspected: 291 (24%)</p> <p># of Car seats Distributed: 56 (53%)</p> <p>1149 (13%) Children That Attended Bicycle Education Events</p> <p>30 (4%) Bicycle Helmets Distributed</p> <p>39 (14%) "Children Are Priceless Passenger" Training Classes (11/03 through 06/04)</p> <p>37 (17%) Car seats Issued at "Children Are Priceless Passenger" Training Classes</p> <p>4 (226 Students) or 3% of total Traffic Safety School Classes Taught</p> <p>5 (286 Students) or 3% of total Alcohol Awareness School Classes Taught</p> <p>1 (120 Students) or 20% of total Mock Crash Assemblies</p> <p>378 (18%) Traffic Complaints</p> <p>63.5 (24%) C.O.P.E. Enforcement hours</p>	<p># of Car seat Inspection/Bike Education Events: 139</p> <p># of Car seats Inspected: 1196</p> <p># of Car seats Distributed: 105</p> <p>9189 Children That Attended Bicycle Education Events</p> <p>707 Bicycle Helmets Distributed</p> <p>286 "Children Are Priceless Passengers" Training Classes (11/03 through 06/04)</p> <p>213 of Car seats Issued at "Children Are Priceless Passenger" Training Classes</p> <p>123 (13,374 Students) Traffic Safety School Classes Taught</p> <p>165 (13,374 Students) Alcohol Awareness School Classes Taught</p> <p>5 (4420 Students) Mock Crash Assemblies</p> <p>2075 Traffic Complaints</p> <p>260.5 C.O.P.E. Enforcement hours</p>	<p>Car seat Inspection and Bicycle Education Events locations are determined by requests from groups of businesses or by events that occur in a specific area (i.e. A child being hit on a bike might prompt educational events at the nearby schools)</p> <p>"Children Are Priceless Passengers" Hospital Training Events are classes held at local hospitals and are taken after a citation is received. Thunderbird Hospital located at 59th Av and Thunderbird also holds classes. Persons receiving citations issued in the target area or citywide may also attend classes held there (Total of 229 classes held).</p> <p>Traffic complaints addressed are only those where enforcement action has occurred and does not include calls with unverifiable information or those where no enforcement action was taken.</p> <p>The Youth Alcohol Education and Enforcement Squad activities may also be counted in Maryvale Precinct Cruising and Liquor Hotspot Task Force information and the number of students in the traffic safety classes and alcohol awareness classes overlap. These classes are also based on requests from the schools.</p> <p>C.O.P.E. is the Child Occupant Protection Enforcement program which allows officers to pull over vehicles for child seats or safety belt violations. This effort is grant funded.</p>

Police				
Cruising Enforcement Program	This program is designed to combat the public nuisance known as "cruising". Efforts are also made to combat the street racing.	See Note	Adult Felony Arrests: 270 Adult Misdemeanor Arrests: 1674 Juvenile Felony Arrests: 43 Misdemeanor Arrests: 294 Calls for Service: 6316 Curfew Arrests: 369 Trespassing: 106 Citations: 13,833 Drug Crimes: 108 DUI: 300 Drag Racing: 118 Vehicle Tows: 827 Guns Seized: 78 Collisions: 178 Liquor Violations: 323 Susp Persons: 604 Dept Reports Taken: 1253	The cruising squad (8 Officers) is operationally a citywide effort that is housed out of Maryvale precinct. Most of the enforcement takes place in Maryvale, but the squad is available to assist in efforts citywide. Efforts and/or actions by the cruising squad are tracked citywide, but the majority of the enforcement is within the study area. Therefore target area information cannot be pulled out of the totals. Cruising Squad members may also assist in other locations in the city. Note: The cruising squad is normally supplemented by up to 8 officers and one supervisor on overtime Friday, Saturday and Sunday.
Abatement Program	Detectives work with property owners to solve problems on troubled properties in their respective precincts.	# of Abatement Cases Resolved: Maryvale Precinct – 24 locations addressed; 6 notification letters sent; approx 80% resolved with a few pending cases. Cactus Park Precinct – 3 abatements resolved. Squaw Peak– Approx 1 case resolved. Central City Precinct – No abatement cases worked in this area in the past year.	No central source for collecting citywide abatement information.	Precinct staffing does not conform exactly to the Westside study area. Numbers listed are precinct-wide for the precincts that have some portion of the study area. Totals include Crime Free Multihousing positions.

Project Safe Neighborhood /Violence Impact Project (VIP)	<p>Project Safe Neighborhoods is designed to promote safe and healthy neighborhoods through a joint task force with the federal Bureau of Alcohol, Tobacco, and Firearms, the United States Attorney's Office and the Maricopa County Attorney's Office. The PSN Program seeks to curb gun crime and violence by utilizing existing programs and enforcing both the Federal and the State weapon laws to ensure maximum prison incarceration for dangerous offenders.</p> <p>The Violence Impact Project is similar in nature to PSN but focuses on a specific area or neighborhood. Units within the Police Department as well as outside agencies work together for maximum benefit.</p>	<p>Multiple VIP action plans are being worked in the Cactus Park Precinct area with the Drug Enforcement Bureau, Vice, Gang Squad, and I.C.E, as well as a variety of other internal and external partners.</p> <p>PSN cases are handled citywide.</p>	<p>34 PSN Cases Were Submitted for Federal Prosecution</p> <p>225 Firearms Seized by the Gang Enforcement Unit</p>	The second focus area for the VIP and PSN efforts is contained within the study area. The boundaries are 19 th Av to 35 th Av, Indian School Rd to Glendale Av. The area was selected based on the high concentration of violent crime relative to the rest of the city. A map of the area is provided for documentation. The VIP focus on this area was initiated July 1, 2004. The project focuses on three areas, offender impact, area impact, and tactical crime analysis. Results will not be available for a number of months.
VIP/Divert Program	The objective of this program is to identify Domestic Violence/Aggravated Assault crimes occurring in the New VIP Area and make every effort possible to arrest the suspects within 24 hours after the incident is reported. The program will also work to enhance victim safety and awareness. This is a collaborative effort between Cactus Park Precinct, 700 and the Family Investigations Bureau, Domestic Violence Felony Squad and Victim Services Detail.			Implemented July 1, 2004
Drug Enforcement	Investigate and prevent drug related crimes.	<p>One Squad assigned</p> <p>7.16 Drug Offenses per 1000 Residents</p> <p>48.26 Drug Offenses per Square Mile</p>	<p>One squad assigned to each precinct, plus specialty squads with citywide enforcement</p> <p>6.85 Drug Offenses per 1000 Residents</p> <p>24.32 Drug Offenses per Square Mile</p>	Based on Uniform Crime Reporting (UCR) criteria

Anti Gang Programs	Operation Safe Streets is an annual program that is implemented during the summer months when juvenile crime and gang activity often peak. This is a zero tolerance enforcement program that seeks to reduce overall gang violence and juvenile crime. The program was initiated in 1989. Staff hours were spent on neighborhood suppression of gang activity, arrests and gang investigations.	Hours spent by precinct: Maryvale Precinct – 5262 hours Central City Precinct – 7451.25 hours Squaw Peak – 1749.5 hours Cactus Park Precinct – 1915.5 hours	# of Arrests – 645 # of Gang Members Arrested – 141 # of Traffic Citations Issued – 3631 # of Stolen Vehicles Recovered – 31 # of Search Warrants Served – 25 Total # of Hours Spent 25,790 hours Citywide enforcement # of Officers Assigned to the Organized Crime Bureau (Which contains the Gang Unit) – 82 (77 filled as of June 28, 2004) 32 are assigned to the gang squad as of 8/16/04	Staff and enforcement effort information is available by precinct, but not by the specific boundaries of the study area. Therefore, the Westside information is listed for those precincts that have some portion of the study area. Numbers are listed for 2004 through July 31 st .
Vice Enforcement	Investigate prostitution, sexually oriented businesses, child pornography and public indecency	2.76 Reported Sex Crimes per 1000 Residents 1.44 prostitution arrests per 1,000 residents	2.46 Reported Sex Crimes Citywide per 1000 Residents 1.34 prostitution arrests per 1,000 residents	Citywide enforcement. Based on Uniform Crime Reporting (UCR) criteria.
Bias Crime Unit	Investigate all hate crimes and school based violence	.86 Reported Bias Crimes per 1000 residents	.92 Reported Bias Crimes Citywide per 1000 Residents	Citywide enforcement
Sex Offender Notification	Notify the community of sex offenders registered within the City of Phoenix.	20 (23%) Notifications for Level 3 Offenders 30 (17%) Notifications for Level 2 Offenders .15 Notifications per 1000 Residents 1.01 Notifications per Square Mile	88 Notifications for Level 3 Offenders 177 Notifications for Level 2 Offenders .20 Notifications per 1000 Residents .71 Notifications per Square Mile	Citywide enforcement. Seven officers are assigned to the notification squad. Data from the Sex Offender Notification Squad lists 45 Level 3, High Risk registered sex offenders living in the target area and 116 Level 2, Intermediate Risk. Citywide there are 266 Level 3 and 491 Level 2. This data only reflects the latest notification efforts. If an individual changes addresses he/she will be subject to neighborhood notification efforts each time.

Wake- Up C.E.A.S Violence	Provides before and after school activities.	8 (23% of total) Wake Up Clubs # of Students Participating in Wake Up Clubs: 325 (27%) 4.00 Participants per 1000 Students Enrolled	35 Wake Up Clubs # of Students Participating in Wake Up Clubs: 1200 3.92 Participants per 1000 Students Enrolled	School enrollment information based on the number of students enrolled in the Westside area and citywide.
Crime Free Multi-Housing	The Crime Free Multi-Housing Program provides an opportunity for rental property owners and residents to share responsibility with police for creating and maintaining a safe housing environment.	221 (31%) CFMH Properties 57,074 (61%) CFMH Units .66 properties per 1000 Residents 4.46 Properties per Square Mile 171.11 Units per 1000 Residents 1153.01 Units per Square Mile	719 CFMH Properties 93,036 CFMH Units .54 Properties per 1000 Residents 1.94 Properties per Square Mile 70.43 Units per 1000 Residents 250.09 Units per Square Mile	Precinct staffing does not conform exactly to the Westside study area. Numbers listed are precinct-wide for the precincts that have some portion of the study area. Totals include Abatement positions. The Crime-Free Multi-housing information is influenced by the number of properties in a particular area and is a voluntary program.
Neighborhood Block Watch Grants	The aim and purpose of the block watch program is to detect, deter or delay crime by educating neighborhoods to work together.	25 (14% of awards) Block Watch Grants Awarded in Maryvale Precinct Amount of Block Watch Funds Awarded in Maryvale Precinct : \$173,778 (14% of awards)	177 Block Watch Grants Awarded Citywide Amount of Funds Awarded Citywide: \$1.2 million	Information is only available by precinct so the totals included are for Maryvale Precinct only. There are a total of 116 block watch groups in the Maryvale area.
Phoenix Neighborhood Patrol	The Neighborhood Patrol program started in 1994 as Block Watchers on patrol. This allows residents the opportunity to become actively involved in crime prevention.	293 (31%) Members in Target Area	943 Members Citywide	This is a voluntary program that depends on participation from the community. In June 2004, 28 active Maryvale Precinct PNP members were trained to patrol neighborhoods that had higher than average burglaries and thefts. PNP patrollers distribute burglary prevention tips to homes where they observe potential problems. PNP members have also been trained to use radar guns on residential streets and document speeding violators. A letter is later sent to the vehicle owner.

Department/ Program Name	Program Description	Westside Performance Measures	Citywide Performance Measures	Comments
Police				
Hot Spot Liquor Task Force	This program is designed to track issues related to liquor establishments and to impact the number of problems occurring at targeted locations.	56 (33%) Investigations/ Inspections in Target Area	169 Investigations/ Inspections Citywide	
Special Projects	The Special Projects Unit conducted projects targeting large groups of individuals involved in trafficking in stolen property, burglary, auto theft, robbery and aggravated assault citywide.	11 (69% of total) Groups Targeted in Westside Area 128 Suspects Submitted for Indictment 138 Stolen Vehicles Recovered 9 of Guns Recovered Amount of Property Recovered: \$1,175,000	16 Groups Targeted Citywide 189 Suspects Submitted for Indictment 206 Stolen Vehicles Recovered 12 of Guns Recovered Amount of Property Recovered: \$1,755,000	
Victim Services Precinct Crisis Team	This program began in March 2003 and was piloted by Maryvale Precinct. Teams of victim services volunteers or advocates and supervisors respond to victims of crime, with a focus on Domestic Violence, to provide crisis intervention, resource identification or any other emergent need.			
Digital Tape Recorder Pilot Program	Tape recorders were ordered to provide an enhancement in the quality of evidence gathered by first responders. Cactus Park Precinct was chosen as the pilot due to the high number of documented reports of Domestic Violence.			The tape recorders are being ordered and will be dispersed upon arrival.
Building Blocks	The Building Blocks Initiative began as a response to the perception of the rapidly increasing over-representation of minority youth in the justice system. The Initiative endeavors to take a data driven strategic look at the juvenile justice system to determine how to address over-representation. The group selected neighborhood boundaries that include sections of the Maryvale Precinct.			Research is currently in progress.
Water Safety Task Force	This task force was created to educate residents on water safety and drowning prevention and to enhance coordination between city departments on this issue. The task force has representatives from six city departments including Fire, Police, Neighborhood Services, Development Services, Parks and Recreation (Aquatics Section) and Housing.	Maryvale Precinct's Projects Coordinator is the Police Department's representative on the task force

Volunteer Response Team	The Volunteer Response Team (VRT) is an extension of PNP. Members are available to assist in looking for missing or lost persons.	Maryvale Precinct has 29 active VRT volunteers.		
Phoenix Explorer Program	This program was implemented to provide juveniles with good prospects to be Police officers, mentors, and a sense of responsibility.	Approx 26 explorers were assigned to Maryvale Precinct.		
Terrorist Awareness Presentations and Educational Awareness	Maryvale Precinct CFMH officer provides presentations as part of the department's Homeland Security Project.	As of August 4, 2004, presentations were attended by approximately 6224 citizens		
Juvenile Diversion Program	Maryvale Precinct is the only precinct within the City of Phoenix Police Department that still conducts the Juvenile Diversion Program. This program is designed to address juveniles who are out past curfew, have committed non-criminal violations, and their safety may be in danger.	802 juveniles were processed during FY2003-04 Maryvale Precinct assigns 2 full time civilian Juvenile Diversion employees and 2 Police Officers on a temporary basis.		
Pioneer Ford Graffiti Paint Over Program	The Maryvale Precinct partnered with Pioneer Ford in a program to paint over graffiti throughout the precinct.	Per Pioneer Ford, they have used up to 2000 gallons of paint at the cost of \$60, 000 to paint over graffiti at approximately 90 to 100 locations per week.		
Community Based Policing Trailer	This trailer was used by Maryvale Precinct Personnel as a sub-station in the newly annexed area at 83 rd Av & Lower Buckeye Rd.	The use of this trailer allowed officers to work and stay in the area for longer periods of time. This additional visibility helped reinforce the Department's commitment to provide the best possible service to new communities in the area.		
Homeland Security	Proactive efforts are currently underway to identify and track vital locations related to homeland security.	Number of identified locations: 5	Number of identified locations: 30
